Dear Sir:

Applicant agrees in part with the Examiner's statement of reasons for allowance, contained in the Notice of Allowance mailed March 13, 2006, in that the prior art of record fails to disclose, teach or suggest the claimed invention. However, Applicant notes that the Examiner's statement fails to address all limitations of all of the allowed claims. For example, certain claim limitations were not discussed in the Examiner's Reasons for Allowance, including those in most of the allowed claims, each of which defines a unique combination of features not shown or suggested by the prior art, providing additional reasons for allowance of each claim.

Furthermore, Applicant respectfully submits that the scope of the claimed invention should not be limited by the Examiner's statement, but rather the scope of the claimed invention should be based on the actual language of the allowed claims.

Dated: June 13, 2006

Respectfully submitted,

By   
Thomas J. D'Amico
